Dried Chilli & Powder

DRY RED CHILLI

We are Supplying Chillies to almost 20 Countries. Chillies is also known as Capsicum, Paprika depending upon the species and variety and also the manner in which it is prepared and used. Chilli is used as an essential condiment in foods for its pungency and red color.

RED CHILLI POWDER

Chilli powder is made from the extremely dried spicy red chillies. Chilli powder is found predominant in every possible Asian dishes in order to add spice to the food. Handpicked dried red chillies from the famous Indian markets are blended and pulverised to form our spicy red chilli powder.
